EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 11, line 2, the dash before "surface" has been deleted; in line 3, "a" has been changed to --an--.

In claim 13, line 8, the dash before "fixed" has been deleted.

2. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose a protection structure for a boat hull including a profile extended in a longitudinal direction including a base fixed to the hull and including a longitudinal groove and a tenon element and a mortise element, wherein one of the two is fixed to the profile and extends for a limited preselected length and the other of the two is received within the groove of the base and extends for a limited preselected length and further wherein spaces are provided between the tenon and mortise elements for being mutually disengageable by sliding the profile with respect to the base in the longitudinal direction, generally as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
